LIST OF WORKSHOPS & EVENTS

Friday January 13

All talks held in Room C unless otherwise noted.

10:00 AM ORCHIDS FOR BEGINNERS

This talk is led by Lisa Choplo, Trustee with the North Jersey Orchid Society. Orchids vary widely in their requirements. This talk will review some of the easy to grow, less demanding varieties including general care tips.

11:30 AM THE BASICS OF ORCHID PHOTOGRAPHY

Presented by Maurice Garvey who is an American Orchid Society certified photographer. Learn how to take pictures using a cell phone, iPad mini, point and shoot camera, or a digital SLR using lighting techniques with inexpensive reflectors. He will cover white balance, macro settings, flash and inexpensive software. Also learn about some phone and iPad apps for photography.

1:00 PM AMERICAN ORCHID SOCIETY (AOS) JUDGING

You are invited to observe this judging session. Learn what attributes make a flower awardable; and time permitting, John Sullivan, a certified AOS judge, will provide commentary and answer questions. Judging starts on display floor and finishes upstairs in large conference room.

1:30 PM GROWING ORCHIDS UNDER LIGHTS IN THE HOME

This informative discussion will be led by Patti Lee, a native Hawaiian who now lives in New York City, and is a founding member of the Manhattan Orchid Society. She will discuss the lighting options available, and the latest and best of them for growing Orchids indoors.

2:30 PM ORCHID BASICS

If you're just getting started, this is the workshop for you. Bill Stender, New Jersey Orchid Society Vice President, will discuss how to succeed in the fascinating and addictive world of orchids. Questions such as what makes it an orchid and how many types are there will be among the many fascinating items covered.

11:00 AM GROWING NEOFINETIA

Dr. Kristen Uthus, owner of New World Orchids, will discuss Neofinetia orchids. Neofinetias are particularly cherished in Japan. Unlike the typical orchids, “neos” are prized for their foliage which makes them a beautiful addition to your home year round. When they bloom, their delicate and long-lasting flowers fill the air with an intoxicating scent that is a mix of vanilla, honeysuckle and orange blossoms; and they are easy to grow.
